

# **Reviewing Basic Forms**

- Incorrect PR Contents

# Incorrect PR Contents

- Still seeing `.DS_Store`, `.vscode`, `.idea` type files
- Project 1 does not have my `.gitignore`!
- You should notice these before creating the PR!
  - Avoid the embarrassment
    - Here and at jobs
  - Mistakes happen
    - Build habit of double checking
    - Only helpful if it's a habit!
  - Very low effort to check
